## New Year - New Opportunities

The beginning of each new year is an opportunity to reflect on the past year and make a fresh start. As you consider your priorities and goals for the new year, consider some spiritual goals. For example, you might make a new effort to attend worship and Sunday School every Sunday, find a place of service and give financially. You might also commit to pray, read your Bible and share your faith daily. We should strive to grow in our faith in and service to God every year. May God bless you and our church in 2019.

– Pastor Shane
